Supervisor Greg Cox

In the Coming Week

CINCO DE MAYO CON ORGULLO (WITH PRIDE)

Supervisor Greg Cox will be honored with an award from the Cinco de Mayo con Orgullo Coalition for his support of the Cinco de Mayo con Orgullo de la Familia Festival, an alcohol- and tobacco-free family event that offers the community a positive alternative to celebrate the Cinco de Mayo holiday. The event increases awareness of the negative impact of tobacco and alcohol in the Latino community, and the harmful influence of alcohol and tobacco marketing on young people.

Saturday, May 6 at 1:00 pm at Stage 2 in Kimball Park, 12th Street and D Avenue, National City.

COMPUTER DONATIONS FOR GULF COAST HURRICANE VICTIMS

Supervisor Greg Cox will ask the Board of Supervisors to support the one-time donation of refurbished County computers by the San Diego Futures Foundation to aid schools, libraries, and nonprofit organizations in hurricane-damaged communities along the Gulf Coast in their recovery. The devastation wrought by last year's hurricane season made the public computer resources ordinarily available at these facilities useless to many individuals and families struggling to find employment, access aid, complete their education, and put their lives back together.

Tuesday, May 9 at 9:00 a.m. at the Board of Supervisors meeting, County Administration Center, Room 310, 1600 Pacific Highway, Downtown San Diego.

LEADERS LUNCH IN POINT LOMA

County services are on the agenda as Supervisor Greg Cox joins Mayor Jerry Sanders to address the Peninsula Chamber of Commerce at their luncheon meeting.

Tuesday, May 9 at Noon at the Shelter Pointe Hotel, 1551 Shelter Island Drive

CENTRAL AVENUE FLOOD RELIEF

After years of effort by Supervisor Greg Cox to address Bonita's flooding issues, the Board of Supervisors will consider making improvements to the drainage facilities along Central Avenue by completing the Central Avenue Flood Improvement Project.

Wednesday, May 10 at 9:00 a.m. at the Board of Supervisors meeting, County Administration Center, Room 310, 1600 Pacific Highway, Downtown San Diego.
